RACE DIRECTOR MESSAGE

Hello and welcome to the 2024 edition of the Mooloolaba Triathlon!

We are excited to welcome you to Mooloolaba to be part of the iconic weekend of triathlon on the Sunny Coast.

Moo Tri as its affectionately known, is both a great starting point for those beginning their triathlon journey and a challenge for seasoned athletes chasing their personal bests. The two distances offer a challenge for everyone in a stunning location.

You will find our festival precinct including Check In, the Mooloolaba Sport and Lifestyle Expo and our Merchandise store down in the Mooloolaba Esplanade Northern Parklands precinct.

The 2XU Swim Course will again take place within pristine waters of Mooloolaba Beach. Once you've conquered the Swim, the Bike Course will take you out to the Mooloolaba foreshore before tackling the Alexandra Headlands climb and back into Mooloolaba for a spectacular 3 lap course. The Run Course will then take you from Mooloolaba over Alexandra Headlands and back allowing you to take in the sights one of the most picturesque courses in Australia.

As you count down the week and make those important final preparations, please ensure that you read this Athlete Information Guide thoroughly, as well as tune in to the Race Director Virtual Briefing. If you still have questions, come along to our First Timer Q&A or attend one of our Transition Tours.

A huge thanks again this year to the Sunshine Coast Regional Council, Visit Sunshine Coast and Tourism and Events Queensland for their ongoing support. A massive thank you also goes out to the local Sunshine Coast community with a special mention to our volunteers who play a huge part in ensuring that this event is a great success year after year.

The towns and regions surrounding Mooloolaba are amongst the most scenic areas on the Sunshine Coast and I encourage you to stay and explore all that they have to offer as you recover and celebrate your race.

Share your experience with family and friends, explore the Sunshine Coast region and soak up all of the pre and post race atmosphere.

The team and I look forward to seeing you out on course and experiencing those feels that come when you cross that finish line!

Train hard, race safe and enjoy every moment.

ROLLING CATEGORY START

The 2XU swim start will be a rolling category start format. Within each category, athletes will seed themselves based upon their own projected swim times. Self-seeding will be based on your individual abilities according to your expected finish time.

Within each rolling category start there will be 4 start zones. You can avoid being overtaken by stronger swimmers by seeding yourself with athletes of a similar skill and ability level.

The four Start Zones are:

- Zone 1. Under 13 minutes
- Zone 2. Between 13 - 17 minutes
- Zone 3. Between 17 – 21 minutes
- Zone 4. Over 21 minutes

The rolling category start will continue from Zone 1 to Zone 4 with Athletes being released at intervals, across the start line and timing mat. Each athletes official individual race time will start when they cross the clearly marked start line/timing mat on the beach.

The next category start will then self-seed into the 4 start zones and this process will be repeated until all category starts have commenced the swim.
